Gary,

I understood you to say EPA's cost will be under \$500,000 if NORCO completes the removal but over \$500,000 if EPA takes over the removal. This is the reason I suggested the change to paragraph C1 of Gloria's draft of the order for NORCO's resumption of the removal action.

My suggested change is not needed **IF** you feel that EPA's cost will not exceed \$500,000 if EPA does have to takeover the removal action.
